Most groups run sessions that last for up to 1 hour. There is no requirement to register with Ofsted as parents and carers are responsible for supervising their children at all times.

## WHAT DO WE DO?

Little Movers and Shakers is known as parent and baby/ toddler classes, and cater for a wide range of parents and carers, including grandparents, childminders and nannies. They provide an opportunity to meet new people and to enjoy play/educational activities in a safe, informal and friendly atmosphere, and help to support children's transition to the Early Years Foundation Stage when they start pre-school, nursery, or Reception class. These are weekly educational classes, that do sensory,

interactive and music activities for children up to 4 years, including all abilities and special needs. We also do art and craft activities, as well as messy play. Classes are divided into different age and ability groups. If you think that your child needs to change age group earlier or later, please discuss it with your class teacher. Our classes are aiming to help and encourage your child's physical, confidence, social and academic development, to help with transition for Preschool or nursery, learn basic maths and English skills, sharing, taking turns, learn nursery rhymes. We run the sessions half termly, depending on local schools' terms.

Parents are responsible for making a payment every half term before the due date.

*Half termly direct debit:*

Our system will take direct debit from parents every 6 weeks regularly. This will give a discount for parents

*Pay as you go:* This will be higher than the amount paid using the above methods, and is payable for every session parents join

*One off class payment:* This is just a first session/ trial payment

Most schools accept cards (not American Express), bank transfer or cash payment

Payment needs to be made by the due date or an extra £10 administration fee will be added.

## **SUPERVISION AND MOBILE PHONES**

These activities require parents' or guardians' full involvement and you must supervise your children all the time for a class to go smoothly. If you need to go to the toilet, please ask the teacher or another parent to look after your little one. Please do not use your mobile phone during the session, unless in an emergency. Parents can only take their phone out if they need to take a picture of their own child (Please read photo permission below).

## **FOOD, SNACK TIME, MESSY PLAY**

Our classes provide a small snack (biscuit) for children and a hot drink for parents after the class. Please inform the teacher if your child has any allergies. We are a nuts free school. Most of the time teacher should just fill the plate with snacks and it is up to parents whether to allow their child a snack. Parents are allowed to bring their own snack, but we do not take responsibility for any sickness or intolerance after. During the Christmas party we have a banquet of the food collected from the parents, however we still follow government guidance following food safety for the specific age group. (see the legislation below)

## **OVERALL**

Before we started to run our classes and all the way through, we take account of legislation such as health and safety, fire regulations, food hygiene requirements, data protection and the Equality Act. Groups often run in local venues such as church halls, scout huts, community centres or clinics. Whatever the venue, there must be enough space available for storing items such as buggies and pushchairs, accessible toilets and kitchen facilities, as well as the security of the premises.

### **PICTURE TAKING AND USE CONDITIONS**

Parents and guardians are welcome to take pictures or videos of their little ones during the session. They must make sure they do not include other children in the picture.
